PROGRAMME

The Project:

The Mayors in Action project, co-funded by the Intelligent Energy Europe 2013 Programme, focuses on Coordinators and Supporters of the CoM (C&S), to foster and empower them in selecting, adapting and channeling good practices for the implementation and monitoring of existing SEAPs through training, tutoring and coaching schemes.

Objectives of the 1st centralized training session:

The goal of this first training workshop, launching the project, is to share experiences, methodologies and ideas among new and experienced C&S. The attendees will be given an opportunity to get in contact with some of the most advanced C&S in order to enrich skills and competences and to enter tutoring and coaching scheme for the future.

Furthermore, during interactive sessions C&S will learn one from the experience of the others.

Key note speakers from:

Covenant of Mayors Office (CoMO), Joint Research Centre, Ministero dell'Ambiente, della Tutela del Territorio e del Mare (to be confirmed), Coordinamento Agende 21 Locali Italiane, ICLEI Europe, Province of Barcelona, Centre for Renewable Energy (CRES) - Greece, Polish Network Energy Cities, City of Zagreb, Regione Veneto, INTERLEUVEN, SOGESCA
